- The committee approved September minutes and October agenda.
- Andrew gave an update regarding the Lead Reduction Program Stakeholder Group. They last met on September 24, 2020. As of that date there had been over 2,800 lead service lines replaced and 97,00 filters distributed. The refusal rate has decreased with only approximately 40 households refusing the replacement out of close to 4,000 homes contacted.
- Paul recommended the CAC write a letter to the Denver Water Board of Water Commissioners thanking them and the staff for the time and consideration they took on the comments given by the CAC on the Water Shortage Plan. The committee agreed and Mike Cowan will draft a letter in the next week.

Denver Water Presentation
